RE: AMEND/CORRECTED DOCK NUMBER

To Whom it may Concern,

I, Tyrone Kingsborough, with Four Tees Transportation & Tours LLC is requesting a 90-day extension so that I can submit a copy of my Federal Safety Audit Rating.

Due to Covid-19 my fully insured bus is just sitting. There is no revenue coming in. Hopefully, this spring the economy will pick up, the vaccine will be working, and people will want to travel again. I ask that you please approve this extension until May 4, 2021. Listed below is my information:

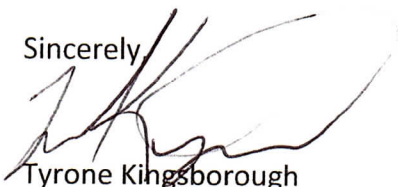

Four Tees Transportation and Tours LLC

Docket Number: 2020-232-T

Order Number: 2020-667

Tuesday May 4th: Extension deadline

Sincerely,
